

A Letter to Our Community

Please be advised that as of the end of business on **Wednesday, March 25**, all of our team members who aren't already doing so, will be working remotely for the indefinite future. Access to our offices in Victoria & Langford during this period will no longer be permitted. Our systems are in place, have been tested and we are fully operational.

You may continue to reach us by phone or email and if required, we have other options that would allow us to conduct client meetings by phone or other means (e.g. Zoom, Skype). We have taken measures to ensure that mail and courier services continue for the time being and ask that any deposits, requests for funds and account documentation be handled electronically.

We understand that this is a difficult time for you and your families and if you require anything at all, we are here to help. For those of you unable to leave the house to get essential goods, please reach out and we will do our best to accommodate those needs. We are stronger together, now and always.
